My Story
What is Leadership?

“Leadership is Influence, Nothing More, Nothing Less”
LEADING YOURSELF
Conscious Mind
(Thinking Mind)
• Intentional Choose Thoughts
• Very Flexible
• Very Slow
• Gives the Illusion that you are in Control

Subconscious Mind
(Feeling Mind)
• Very Fixed
• Fast
• Runs the Show

Subconscious Mind:
(Feeling Mind)

Habits
Perceptions
Memories
Beliefs
Values
Opinions
Attitudes
Self-Image

All of these are conditioned by our life experiences and it is how we see the world.
Beliefs

Beliefs are not a reflection of Reality

What you believe is not always Truth!

Beliefs Drive Behaviors
Beliefs

When something doesn’t match your Beliefs.....

You Reject it without even thinking about it!
Our Environment is a BIG Influence to our Thinking!

We become a product of that Environment

We Become Conditioned!
Changing Our Results Requires

1. We need to Change our Thinking!

2. We need to be Intentional with what Environment we put ourselves in
